Erasmus+ Programme
of the European Union

DISSEMINATION CONFERENCE ON ENTREPRENEURIAL LEARNING IN DUAL EDUCATION

Dissemination Conference on Entrepreneurial Learning in Dual Education gathered more than 150 teachers and secondary school directors and additional 50 stakeholders coming from business&industry, educational policy-making bodies, training providing NGOs and the media.

ABOUT THE PROJECT

The goal of the DUAL project is to develop and pilot the “Entrepreneurship and enterprise” module with Student Company as cross-curricular methodology, representing the set of theoretical and practical teaching and apprenticeship-based learning units, which are thematically and functionally bind across the curriculum of a secondary VET school.

DISSEMINATION CONFERENCE ON ENTREPRENEURIAL LEARNING IN DUAL EDUCATION, Serbia, 26-28 October 2018

Dissemination Conference on Entrepreneurial education gathered 180 teachers, out of which 149 teachers were from 89 vocational schools in 62 municipalities, together with guests, representatives from the Ministry of Education, businesses, academia and organizations that are active in the field of education. The Conference took place in Vrnjacka Banja from 26th to 28th of October and participants had an opportunity to share practices and hear about the learning trends in the field of entrepreneurship education. Special attention at the conference was given to the project DUAL – Deploying the Use of Apprenticeship-based Learning and novelties in the field of Student Company programme: student company platform which is a tool for monitoring and communication with teachers and Entrepreneurship and Enterprise module which helps teachers to engage their colleagues and business community in the Student Company programme.

BECOMING AN ENTREPRENEURIAL TEACHER
